

German Shorthaired Pointer Genetic Registry Dilute Color-DNA APPLICATION

Registration Notice from GSPGR

Effective May 27, 2011, a German Shorthaired Pointer can only be registered with the German Shorthaired Pointer Genetic Registry if they have one of the following types of information for the dog to be registered. We would prefer you have both AKC DNA and Microchip.

1. AKC DNA Identification number
2. Microchip : Must include type of microchip & number
3. Tattoo: Must include tattoo number used

This form is to be used to register dogs that have been DNA tested by Optigen and or cleared by parentage.

Instructions for filing a DNA application:

1. Fill out and sign this application.
2. Send above to GSPGR info to Terina at SouthMtnGSPs@aol.com
3. Any questions, contact Leita Estes, shortales@rocketmail.com
