

Dear New GSP Puppy Owner,

Congratulations on the purchase of your new puppy. Your puppy's litter has been nominated to run in the German Shorthaired Pointer Club of America's (GSPCA's) National Field Futurity run each year in October at the GSPCA National Field Trial held in Eureka, Kansas. Pups born between October 1, 2010 and September 30, 2011 will run in the 49<sup>th</sup> Futurity to be run in October of 2012. The purpose of this Breeders' Stake is to promote the German Shorthaired Pointers' progress by thoughtful breeding. A Futurity purse is created from the nomination and re-nomination fees and any penalties paid plus \$15.00 from each Futurity entry. The purse is divided 40/30/20/10 to the four placements with 60% to the owner and 40% to the breeder.

In order to keep your pup eligible for the GSPCA National Field Futurity you must be a member of the GSPCA and return your GSPCA Field Futurity card. If you are not a member of the GSPCA, you may go to the GSPCA website at [www.gspca.org](http://www.gspca.org) and download a membership form, or you may contact Ken Clemons, 5400 Spotted Dog Trail, Chino Valley, AZ 86323, phone 928-636-7938.

Your GSPCA Field Futurity card must be returned prior to the pup's first birthday. The pup must have an official AKC name & number to be re-nominated. The fee is \$15 prior to the pup's first birthday. It is \$100.00 after that, and no pup can be re-nominated after it is 18 months old.

As a GSPCA member you will receive entry forms for the GSPCA National Field Trial in early September. Pups must be entered per the instructions on the official GSPCA National Field Trial entry form. All dogs run in the GSPCA National Field Trial MUST include an official AKC DNA profile number. In order to have your dog DNA'd you may purchase a DNA kit online from the AKC at [www.akc.org](http://www.akc.org) or you may contact the AKC at 919-233-9767. Please allow 2 – 3 months to receive your DNA profile number back from AKC.
